[WordPress 3.9 Beta 3](#) March 29, 2014

The third (and maybe last) beta of WordPress 3.9 is now available for download. Beta 3 includes more than 200 changes, including: New features like live widget previews and the new theme installer are now more ready for prime time, so check 'em out. UI refinements when editing images and when working with media in the editor. We've also brought [...]
